

DON'T JUST DO SOMETHING,  
**sit there!**

Your Nationwide Bank CD will be maturing soon.  
**But you can relax.**

**Nationwide Bank<sup>®</sup>**  
*On Your Side*

**Rest easy.** While overall CD rates have dropped this last year, Nationwide Bank's CD rates are standing firm. And as the chart below shows, our rates are well above the national average. So sit back, relax and let your Nationwide Bank CD automatically renew. It's a smart way to continue to put your money to work for you — without doing a thing.

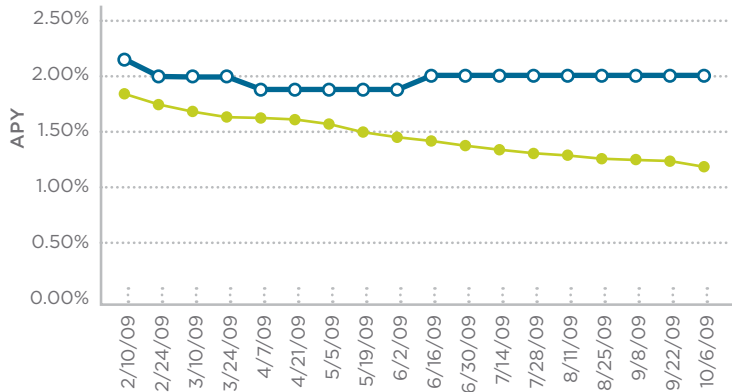

**To renew your Nationwide Bank CD, do nothing.** To investigate the great rates on our other CD terms call **1-877-1-BANK-NW (1-877-422-6569)** or visit **NationwideBank.com**.

**Nationwide Bank®**  
*On Your Side*

**Keep Your CD parked with Nationwide Bank and enjoy steady earnings in a slippery economy.**

**12 Month CD Rate Comparison** (Nationwide Bank vs. National Average )

\*APY represents Annual Percentage Yield. Source for national averages: Informa Research Services, Inc. Calabasas, CA, informars.com. Although the information has been obtained from the various institutions themselves, the accuracy cannot be guaranteed. Rates are based on comparable products and do not include promotional rates.
